

# Mission

- Develop a protocol that can be adapted by each community for all phases of reentry and populations.
- Community coalitions implement framework in the rehabilitation and reentering of gang members.

# Reentry

- Key to rendering criminal gangs ineffectual
- Florida has a model for reentry
- Lacking infrastructure
- Reentry is gaining momentum

# Reentry Matrix

Pre release Juvenile (Age < 21)	Pre release Adult (Age > 18)
Post release Juvenile	Post release Adult
Community Juvenile	Community Adult

# Reentering Gang Members

- Community led model (67 coalitions)
- Community can develop best practices and they must be measured
- Former gang members should be involved in the process of reentry
- Removal of some statutory restrictions for employment/education/housing

# Elements of Reentry

- Education
- Involvement of Family
- Transitional 'step down'
- Vocational/Job Training
- Commitment to Individualized Reentry Plan
- Specialized Reentry Services
- Collaborative Planning
- Intensive Supervision
- Evidence-Based Intervention Curriculum

# Funding

- Strategy Focuses Coordination of Funding
- Leverage Existing Resources
- Aggressively Pursue New Federal, State, Local Money/Grants

# What We Will Do

- Short-term:
  - Expand & Create Reentry Efforts
  - Build on Reentry Model
  - Community Collaboration
- Long-term:
  - Implementation of Statewide Reentry Coalitions and Funding
  - Build Infrastructure
